Name of System:

Description of the Game: (this will be placed in the program)

If your game is only for players 18 years or older, please let us know so that you can be placed in a private room away from the innocent ears of children.

This form is due to us preferably before February 8th, 2008. If we do not receive your reservation by the due date, we cannot guarantee that your game will be mentioned in the program. We will accept games up until the day of the convention and will try to accommodate them. There is a lot of space, but due to time constraints we may not be able to fit last-minute games into a designated gaming room or spot. It is up to you and your players to find a suitable location that does not interfere with events, games, or the enjoyment of other con-goers. We will move or remove games that generate complaints.
